7TH
ANNUAL

PROCUREMENT WORKSHOP FOR
SMALL & MINORITY BUSINESSES.

This popular program is back with over 20 resource stations, one-on-one sessions and the unique opportunity to discuss upcoming MDX projects and contracting opportunities.

In addition, this year we're adding two new components to our exciting program:

/// **"How to Prepare a Responsive & Competitive Proposal/Bid and Negotiate a Profitable Contract"**

This break-out session will be hosted by a top-notch panel that will share their knowledge and experience

/// **Showcase of Premier Small Businesses**

Five small businesses will demonstrate how to best present your company to capture an audience of potential partners

This great informational session and networking opportunity is not to be missed—and best of all, it's completely free!
