MDX Future Projects Forum

Under discussion: \$10 billion in mobility projects designed to meet the challenges of the 21st Century

WHAT: The Miami-Dade Expressway Authority (MDX) will host a Future Projects Forum where projects will be identified to be incorporated into the MDX Transportation Master Plan, its 30- year long range plan. These projects will address mobility and interconnectivity for Miami-Dade County. Financing options will also be discussed.

Interconnectivity is a critical factor in reducing travel time and improving future mobility. These projects will have significant impact on the economic future of Miami-Dade County.

Projections for some of the projects indicate a savings of at least one million hours of travel time in the first year.

WHO: The Miami-Dade Expressway Authority staff, Board of Directors and industry experts.

WHEN: Tuesday, September 25, 2007, 1 p.m. – 4 p.m. (to be immediately followed by the regularly scheduled meeting of the MDX Board of Directors).

WHERE: William M. Lehman MDX Building, 3790 NW 21 Street Miami, Fl. 33142.

About Miami-Dade Expressway Authority

MDX is a state sanctioned, locally administered, public agency created in 1994 by the State of Florida and the Board of County Commissioners of Miami-Dade County. MDX is governed by its Board, comprised of 13 volunteer members appointed by the Board of County Commissioners and the Governor of the State of Florida. MDX oversees, operates and maintains five expressways: State Road 836 (the Dolphin Expressway), State Road 112 (the Airport Expressway), State Road 874 (Don Shula Expressway), State Road 878 (Snapper Creek Expressway), and State Road 924 (Gratigny Expressway).

MDX is funded almost entirely by toll revenues and is dedicated to the enhancement of mobility in Miami-Dade County. MDX is also committed to bringing more efficient, market-driven, user-friendly management to its expressways.
