

CONSTRUCTION ALERT

The new right lane flyover exit ramp from eastbound SR 836/Dolphin Expressway to MIA/northbound NW 42nd Avenue/LeJeune Road will open on **Saturday, October 20 at 5 a.m.** Drivers should be aware that access to the new right lane flyover exit ramp is located **a half mile before the current exit.** Please look for signs indicating the new exit ramp location.

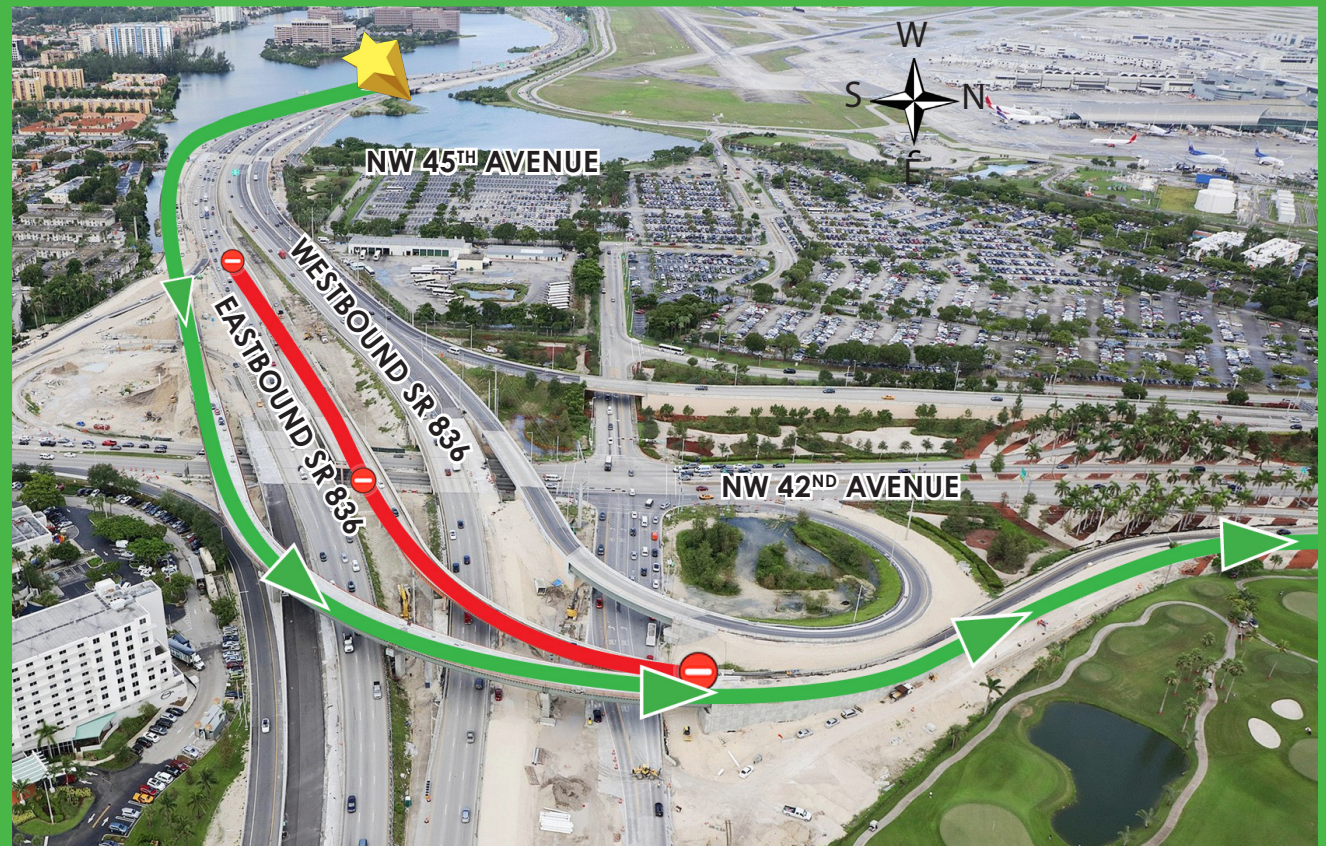

SAFE. CONVENIENT. RELIABLE.

By relocating this exit to the right side of eastbound SR 836, the congestion caused by the weaving in the traffic lanes to exit on the left is eliminated. The extended exit ramp lane, which reaches west by a half a mile, directs drivers going to the airport or northbound NW 42nd Avenue onto a dedicated lane reducing traffic congestion for drivers continuing eastbound on SR 836.

This improvement is part of the Dolphin Expressway Modernization

Project. To learn more about how this project is increasing capacity and improving safety on SR 836 between NW 57th Avenue and NW 17th Avenue, visit www.mdxway.com/projects/current.

Closure schedule may change due to weather or other unforeseen circumstances. For additional information, please contact Public Information Officer Yvette Holt by phone at 786-476-2852 or by email at 83628@mdxway.com.

About MDX — MDX operates and maintains five expressways: SR 112/Airport Expressway, SR 836/Dolphin Expressway, SR 874/DonShula Expressway, SR 878/Snapper Creek Expressway, and SR 924/Gratigny Parkway. MDX is funded almost entirely by toll revenue and is dedicated to moving Miami-Dade County forward and making your commute safer and more efficient.
