

Inspiring Random Acts of Kindness

The “14 Days of Neighborly Love - Inspiring Random Acts of Kindness” initiative, led by Miami-Dade County Commissioner José “Pepe” Díaz, seeks to encourage the residents of District 12 – encompassing the cities of Doral, Medley, West Hialeah, Hialeah Gardens, Virginia Gardens and Sweetwater- to show love for their neighbors and their neighborhoods by performing random acts of kindness between **February 14 and February 27**. This initiative is uniting the efforts of the different Cities in the District as well as non-profit organizations, businesses and individuals who are joining in donating their time, services or talent, within this span of 14 days, in order to positively impact our community.

*“I am ecstatic to lead this initiative in our community and I commend all the businesses and residents of District 12 for taking part in the “14 Days of Neighborly Love –Inspiring Random Acts of Kindness”. While this initiative is taking place during the month of February, I hope we can continue to focus on helping each other after the fact, and know that performing good deeds for others is not only rewarding, but also reinforces us to be better neighbors to one another.”*
